Dispoglove aloe vera

Disposable soapy mittens with aloe vera extract

Dispoglove aloe vera is a soapy mitten that provides great comfort.

Hygienic mitten, specially indicated for sanitary and healthcare use, disposable and recyclable, ready to release all its properties when it comes into contact with water. It contents a dermatologically soap cleanser with aloe vera extract that helps to maintain the protective barrier of the skin and also provides a pleasant and fresh aroma.

Ergonomically designed to avoid getting out of hand during its use.

The product is especially intended for the care and cleaning of the skin, mainly in people who require special attention.
